

Key Stage 4: Year 10 Textiles

Overall Curriculum Goals					
<p>Knowledge and Understanding: Students should show knowledge, understanding and skills in the development of their personal work informed by first-hand experiences and appropriate secondary sources. Students should be encouraged to progressively develop their own strengths and interests in the subject and, increasingly, follow their own lines of enquiry. Students must develop the knowledge and understanding as specified below through sustained practical application of skills to realise personal intentions. Students must learn how sources inspire the development of ideas. For example, drawing on:</p> <ul style="list-style-type: none"> the work and approaches of artists, craftspeople or designers from contemporary and/or historical contexts, periods, societies and cultures contemporary and/or historical environments, situations or issues

CIAG and Co Curricular					
<p>Through the very nature of the projects in Fine Art, pupils are exposed to a wide range of artists, craftspeople and designers which gives opportunities to discuss career options within the creative industries. WE also have strong links with Oldham College Foundation Course and given the number of past pupils on creative degree pathways we try to include them in our CIAG by sharing creative social media platforms or having them in to run workshops relating to their specialism when possible.</p>
